RE: Replacement of Deborah Deden who is retiring July 7, 2020

DATE: April 10, 2020

Administrative Assistant/Legal Secretary, Deborah Deden, has announced her retirement from county employment effective July 7, 2020. Ms. Deden is the only person in my office who performs these duties. Deb has 46 years of experience with Goodhue County, most of that time being in the County Attorney’s Office. Her expertise and experience will be greatly missed. Given the complexity, uniqueness, and importance of the daily work she performs, allowing her time to work with and train in the new candidate will be critical to a successful transition. To promote the continued efficient operation of my office, I am requesting authorization to fill this critical position up to 4 weeks prior to Ms. Deden’s official end date of July 7, 2020.

In addition, we will begin advertising this position internally. The position of Administrative Assistant/Legal Secretary is compensated at grade 82 on the Goodhue County pay scale. Pursuant to policy, hiring at a level above Step 2 requires prior approval. I anticipate we will have internal candidates interested in this promotional opportunity who, due to years of service, are currently being compensated at a rate higher than Grade 82, Step 2. If an internal candidate is selected, I am requesting the individual’s compensation be set at the step of the new grade that represents a two percent increase over their current pay.

Thank you for your consideration. I look forward to answering any questions you may have regarding this request.

SFO/dad
February 21, 2020

Mr. Stephen F. O’Keefe
Goodhue County Attorney
454 West Sixth Street
Red Wing, MN 55066

Re: Retirement

Dear Steve:

June 24, 1974, the day I began working for Goodhue County, a naïve 18 year old! July 7, 2020, my final day of work! By the time I retire, I’ll have worked here for 46 years! There have been many, many changes over the years, from all of the departments being in one building - the Government Center, to having many buildings with many more people! And Technology!! Holy Buckets! I have thoroughly enjoyed my time with Goodhue County and all of the people I have had the pleasure of working with. I couldn’t have asked for a better, more caring place to work. I’m truly going to miss you all! (I’ll be in for coffee and a chit-chat once in a while!)

Thank you!!

Deborah A. Deden

RE: Replacement Request – GCHHS Deputy Director

BACKGROUND:
Goodhue County Health and Human Services (HHS) is requesting to replace a Deputy Director position within our agency. On November 3, 2020, Mary Heckman, Deputy Director, is retiring after 26 years of excellent public service to Goodhue County residents and Goodhue County Health and Human Services.

Several years ago, the HHS Department began the succession planning and organizational changes related to this anticipated retirement. This has included the development of a HHS front desk and support team, staff cross training, changes in position classifications, work expectations, and QI agency work.

Our plan was to bring this deputy director position replacement request, together with additional organizational changes in an effort to continue to seek efficiencies, and to meet agency and community needs even better. With that said, now, during the COVID-19 emergency is not the time to do that, and we seek to replace this deputy director position as is and plan to bring forward our other organizational change recommendations when the time is right, after the COVID-19 emergency.

The HHS 2020 personnel budget included a three month overlap for this position, so that the new hire would be able to spend some time with the outgoing deputy director.

The anticipated hiring range for the Deputy Director is somewhere between step 1 and step 10 on the HHS Deputy Director scale, depending on qualifications and experience. The wages and benefits less health insurance for the anticipated hiring range would be between $91,533 and $135,651.
As most management positions take extra time to hire and notice of resignation to a current employer is usually for an extended notice period, we therefore would like to move forward immediately to start the process of hiring.

RECOMMENDATION:

The HHS Department recommends approving the following:

1. Moving forward immediately to post for one HHS Deputy Director utilizing the MN Merit System. This posting would be for internal and external candidates. If an internal candidate is selected, then move forward immediately to back fill that positon until an external candidate has been hired to finish the process.

2. Hire after the GCHHS Board’s review and approval with a start date no later than August 3, 2020.

RE: Replacement Request – GCHHS Information Technology

BACKGROUND:
Goodhue County Health and Human Services (HHS) is requesting to replace an Information Technology Specialist Sr. position within our agency. On July 31, 2020, our Information Technology Specialist Sr. is retiring after 34 years of excellent public service to Goodhue County residents and Goodhue County Health and Human Services.

During the past 18 months, the HHS Department and County IT Department began discussions on the succession planning and organizational changes related to this anticipated retirement. This has included that the County IT department is now supporting the higher technical aspects of information technology for HHS. Our agency needs no longer dictate this high level of information technology classification within the agency, but we still require the end product support, training and knowing how the different software systems work for 111 staff with a multitude of software applications, local, state and federal work systems. We are looking at replacing this position with an Information Systems Specialist Sr. (with the HHS working title of “HHS Systems Application Specialist” which is a lower IT support classification). The current Information Technology Specialist Sr. pay range is $25.58-$41.69. The new classification of Information Systems Specialist Sr. (HHS Systems Application Specialist) pay range is $21.22-$29.83.

Our plan was to bring this information technology position replacement request, together with additional organizational changes in an effort to continue to seek efficiencies, and to meet agency and community needs even better. With that said, now, during the COVID-19 emergency is not the time to do that, and we seek to replace this information technology position with the new classification and plan to bring forward our other organizational change recommendations when the time is right, after the COVID-19 emergency.

The current rate of pay for the Information Technology Specialist Sr. is $41.69. The starting pay (step 1) for the new classification of Information Systems Specialist Sr. (HHS Systems Application Specialist) is $21.22. This would be a cost savings of $49,028 with this change.
