---	---	--

**VACCINES FOR CHILDREN**

**Available through the MN Vaccines Children (VFC) program for children under age 19 who:**

- Do not have health insurance.
- Are on a Minnesota Health Care Program (MA, SCHA, MnCare)
- Are American Indian or Alaskan Native.
- Have health insurance that does not cover vaccine, including health care sharing ministries.
- Have health insurance with a cap on preventive care that has been met. Unmet deductibles do not qualify.

*An adult must accompany children under 18 years of age.*

**VACCINES FOR ADULTS**

**Available through the Un/Underinsured Adult Vaccine (UUAV) program for adults who:**

- Do not have health insurance.
- Have health insurance that does not cover one or more vaccines.
- Have health insurance with a cap on preventative care that has been met.

*Adults on MA, SCHA, or MnCare can only get flu vaccine at HHS. Other adult vaccines are available at clinics and pharmacies.*

**A fee of \$15 per dose or \$55 family maximum is requested which can be waived. Private health insurances and Medicare are not accepted. People who have insurance can receive flu vaccine for \$30.**

*Bring an up-to-date immunization record. Immunizations given will be recorded in the Minnesota immunization registry (MIIC).*
